

Vision Plan 2020

Coalville Education Partnership (CEP)

Our Vision is linking skills to life and learning

Our Mission: Supporting communities by delivering learning experiences and enrichment activities within an historic woodland setting

Aim 1: ensure long term survival of Holly Hayes woodland

Objectives

- Sympathetic woodland & ecological management
- Provide a woodland management plan
- Community to love and use the wood through activities
- Significantly increase use of wood by community

Aim 2: Sustainable CEP to grow its impact

Objectives

- Grow & diversify income streams and contracts through partnerships, fund raising etc
- Create revenue stream from woodland management/activities
- Develop evidence of impact
- Marketing of learning activities

Aim 3: Diverse learning opportunities

Objectives

- Develop a range of curriculum based courses for schools
- Learning by doing activities
- Develop alternative recreation of woodland e.g. veterans using skills with young people, therapy

Aim 4: Deliver community cohesion across area

Objectives

- Community interaction by working with other groups in the community e.g. inter generational
- CEP is fully part of the community & widens reach
- Develop health and wellbeing approaches

Our Values:

C - Creative, commitment, caring

E - Engaging, enjoyment, evolving

P - Participation, potential, progression
